

PCJFC UK COVID-19 Returning Players and Parents/Carers Questionnaire as of 03/12/2020

The safety of our players, coaches, parents, and their families remain an overriding priority. As the coronavirus (COVID-19) outbreak continues to evolve and spread globally, PCJFC are monitoring the situation closely and will periodically update club guidance based on current Government/NHS/FA Recommendations.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our players, coaches, parents, and their families, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone in our club. Thank you for your time.
